

ARTEX WINTER TRADE-IN EVENT

Convert your Classic Artex articulators to state-of-the-art Carbon articulators and save **30%!***

WHY CHANGE?

User-Friendly, Ergonomic, and Modern Design:

Wider view, better grip, lighter-weight for improved productivity

Saves Time:

Mounting space increased to 126mm, so there's no need to reduce models or pins

Saves Money:

Carbon-fiber construction provides long-lasting durability
