

Jensen Dental's

AUTO-SHIP PROGRAM

Thank you for your interest in Jensen's convenient Auto-Ship Program for Microstar® investment, die stone, base stone, and disposable plungers. Through this program, you can set custom shipping quantities for convenient, hassle-free delivery of any of the Microstar products listed below, each of which can be scheduled for quarterly or monthly delivery. You will also have access to program-exclusive pricing and shipping terms. With high quality Microstar products auto-shipped and supported by Jensen, you can count on a complete "set & forget" experience.

PRODUCT	REGULAR PRICE	AUTO-SHIP PRICE	SHIPPING TERMS

* Only for shipments of 2 or more boxes (any size)

For consistent delivery, all auto-shipments are processed and shipped during the 3rd full week of each month, with the exception of the December '09 shipment which is scheduled for the 2nd full week. All domestic shipments are shipped via UPS Ground. Auto-ship participants receive automatic email reminders to provide notification of upcoming shipments.

Enrollment in the program is free of charge.
